

The all-new MYOB Assist app. Admin's out. AI's in.

48% of businesses are more efficient after switching to better digital solutions*

No receipt left behind

Every receipt counts – whether it's a coffee with a client or a last-minute supply run. With auto-matching and category suggestions built into your MYOB subscription, the MYOB Assist app lets you snap and track them in seconds, right from your phone.

The job's done. The invoice should be too

When you bill on the spot, you get real-time data, smoother cashflow and fewer "Just wondering..." emails.

Tap-to-pay is the way

Job's wrapped. Get paid straight away – no paperwork standing between you and payment. Tap-to-pay is coming in 2026.

Get started

MYOB Assist replaces the existing MYOB Capture and MYOB Invoice apps and connects with your MYOB subscription to handle your finances on the go.

MYOB Business easily connects with your accountant or bookkeeper. Ask them to connect you today or subscribe at myob.com

*MYOB Digitisation in the mid-market snapshot 2023. Research was conducted by Dynata between 20 October – 14 November 2022. In total, 1029 mid-market business leaders and decision makers (employing between 50 – 200 people) in Australia (510 respondents) and New Zealand (519 respondents) took part in the interview. © September 2025 MYOB Australia Pty Ltd.
